NOTICE TO ALL MERCHANTS AND CITIZENS

As the Mayor of Tombstone would like to share my position concerning the CORONAVIRUS “COVID-19” situation. The City is adhering to the recommendations of the Cochise County Health Department and Governor Ducey and CDC. At this time, I have amended the permits for five events; the Wine Festival April 3-5 and Ed Schieffelin Days scheduled for April 3-5 has been rescheduled for October 9-11, 2020. The Tombstone Rose Festival scheduled for April 10-12 has been cancelled until next year. The Beers and Balls Calf Nut Fry scheduled for April 11 has been postponed with no future information to date and the Annual Easter Egg Hunt scheduled for April 12 has also been cancelled. At this time all attractions and businesses should remain open to welcome our Tombstone visitors, the City has no intention to close any bars or restaurants, any closures would be the under the direction of the Cochise County Health Department, Arizona Department of Health Services or the Office of the Governor.

The County, State and CDC has recommended no more than 10 people at any gathering or establishment and the City’s recommendation is each business use their best judgement.

Dusty Escapule, Mayor
