4/29/2020 Mayor's Message

EXECUTIVE ORDER UPDATE

The latest Executive Order issued April 29th by Governor Doug Ducey follows guidance from the Centers for Disease Control and Prevention (CDC) and comes at the recommendation of public health officials who are tracking data specific to Arizona. The earlier 'Stay home, Stay healthy, Stay connected' order remains in place, because social distancing IS working, thanks to you and all the sacrifices you are making to protect our community.

The governor will have specific guidelines for restaurants on Tuesday, May 12, and will provide guidelines for combination restaurants/saloons a short time later. Saloons without restaurants – there probably won't be a decision for quite a while.

As for enforcement of this Executive Order, the governor stated clearly that as it is to protect public health, and that violations are subject to a \$2,500 fine and up to six months in jail. "For anyone flaunting the order, you are playing with your liquor license – don't do that."

Thanks for your help. So far, we are doing fine. Together, we'll do better -- very soon!

Dusty

Mayor Dustin L. Escapule, 4/29/2020.
