### **Message from Mayor Dustin Escapule**

On Wednesday, June 17, 2020, Governor Ducey announced new public health guidance and a new Executive Order 2020-40 to respond to the COVID-19 public health emergency.

Executive Order 2020-40 permits counties, cities, and towns to adopt policies regarding the wearing of face coverings in public for the purpose of mitigating the spread of COVID-19. At this time, I will NOT be implementing a mask policy, however, I am asking the merchants, restaurants and bar owners to be responsible and have all of their employees wear a face covering for the safety of their fellow workers and visitors. I will leave it up to the individual businesses on the requirements of face covering for customers in their establishments. Face covering will be mandated during any City public meeting, including Council Meetings. A mask will be supplied if you don't have face covering.

Social distancing is the responsibility of proprietors within your establishments. Please be responsible! Please remember to maintain social distancing of 6ft and please regulate the number of visitors in your establishment at any one time to help maintain social distancing.

Proprietors please wipe and sanitize furniture for the safety and well-being of yourself, your employees as well as our visitors.

Be responsible and keep our community safe!!

Sincerely,

  
Dustin Escapule, Mayor
